Rescale is a very fun game. I like how you can change the size of the ball to fit through different levels, I also like how you can change the color of your ball, it'll be cool if you can have like hats you can wear and stuff. The levels are very unique which I very like. If you have .99 cents and don't know what to spend it on, buy Rescale.. 10/10 solid game if you enjoy having the urge to punch a wall
